BESSIE & DOLLY

Friendly and inquisitive, Bessie and Dolly are two of the sweetest, most easy-going donkeys you could meet. They are two of the very first donkeys rescued by Little Longears in late 2014. Bessie is in her mid-30s and Dolly is in her mid-20s. Sadly, they came to us after experiencing the indignity and brutality of a livestock auction. We will never know why or how these kind and gentle donkeys ended up at an auction, but they will never know such misfortune again.

Bessie and Dolly love being in the barn where all of the action is, and never let us forget when it's feeding time! Their brays are as unique as they are, and we always know when they are ready to eat! These girls are truly living their best lives at Little Longears, in their golden years, and they absolutely deserve the very best!
